NEWS REPORT FROM TOWN MAYOR

To the Citizens of
The Town of Appomattox:

Let me take this opportunity to thank all of you wonderful people for the fine cooperation you have given the Town toward the trash and garbage collection this summer. This service will continue on the present schedule until further notice. I also want to commend the Town employees for the fine job they have done.
The schol doors will open again on Thursday, Sept. 1, and I want to welcome all of the students and teachers back to town.
With the opening of school, you and I, as law-abiding citizens, have the added responsibility of seeing that our most cherished possession, our beloved children, get to and from school safely. When driving through the school zones, and when meeting the school buses, let's all be especially careful to see that we obey the proper traffic regulations.
The Town has hired Mr. Henry White, as a Town Officer, and I certainly hope that everyone will continue to give him their full cooperation. Should any of you need an officer, Mr. White's telephone number is 352-7414, and he stands ready and willing to serve you, night or day.
In the past five days, I have received four complaints of speeding and reckless driving in the corporate limits. I plead with everyone who drives to be more careful in the future, and help to see that these violations do not occur again. Because of necessity, I have instructed Mr. White to patrol the streets constantly to do everything within his power to eliminate all careless and reckless driving.
Your counsel and advice on all public matters is welcomed at all times.
Sincerely,
C. T. Moore, Jr.,
Mayor, Town of Appomattox.

Ask Safe Driving Over This Holiday

During the Labor Day week-end of 1959, Virginia experienced 14 traffic deaths. As tragic as was this score, it was below average for the occasion.
So said, Gov. J. Lindsay Almond, Jr., in a safety message for Labor Day. He added:
"As your chief executive, I ask all of you who will drive during the long and dangerous holiday to do so with the utmost caution, and with consideration for those with whom you will share our streets, and share our highways."

ASK SUPPORT FOR LOCAL LIME PLANT

An appeal has been made for support of the Lime Grinding Plant in this county. This plant, located near Oakville, is a vital factor in the upbuilding of agriculture in this area. Soil tests are important to see if land needs lime, and the fact that Appomattox has lime available locally means much to the area.

Oakville Community 4-H Club

On August 5, the Oakville community 4- H Club met at the Oakville school for a hay ride. After the hay ride, the group went to the home of Mrs. O. W. Martin, for a picnic. The next meeting will be held at the Oakville school Tuesday, Sept. 6, at 7:30 P. M.

ON COMMITTEE FOR GAME LAW STUDY

Virginia has set up a committee to study and make recommendations as to a possible revision of the Game and Fish Laws of the state. This area is happily informed that on this special committee is the retired legislator from this district, Hon. John B. Boatwright, of Buckingham, and Hon. R. F. B. Steele, an Appomattox native, now a prominent banker and business leader in Petersburg.

WRITES SUGGESTING PROPER RESPECT FOR FLAG

Mr. Calvin Robinson, Editor,
Times-Virginian,
Appomattox, Va.
Dear Mr. Robinson,
On many public occasions in Appomattox, I have been deeply concerned to see the improper respect paid the Flag and the National Anthem of the United States of America - this great country of ours. I have seen the Flag pass in parade while people continued to walk around in a nonchalant manner and ignore the proper salute; I have listened to a band play "The Star Spangled Banner," the National Anthem of our Country, with the same indifference shown, and now I have seen "Old Glory" in a Flag Raising Ceremony at which time the people continued to walk around, talk, and show no respect.
I have watched Boy Scouts, Girl Scouts, and Ex-Service men on such occasions and they showed the proper respect for the Flag. It is because they have been taught the proper respect for the Flag.
Many times I have thought of writing you a letter expressing my concern and now I feel that I should remain silent no longer, since I think there are those among us who have not been taught and therefore do not know the proper Flag Etiquette. I am writing you, not in criticism of what has happened, but in hopes that you will publish this letter and information as to proper respect for the Flag.
Sincerely,
Ruby M. Moses,
Fourth District President, American Legion Auxiliary, Department of Virginia.

Schools Open Today For New Session

Appomattox County schools began the 1960-61 session today, with every indication pointing to another successful year.
There were very few teacher replacements from the past session. Therefore, there will be an experienced faculty on the job at every school.
As to enrollment, it is expected that there will be a slight increase over the 1959-60 school year. Last year, the total enrollment in the county school system was 2,143. It is possible that this year there will be approximately a 3 per cent increase, according to indications of larger first grade enrollment.
Teachers met yesterday at the elementary school and Carver school here to put the final touch on the plans for school operation.
Meanwhile, the schools were put in shape for operation, and they began rolling this morning. There are 29 school buses, two of them new ones, under the program of keeping the county school transportation system in modern and adequate service. The school division has a creditable record for safety in the transporting of pupils.
There has been an improvement at the Oakville elementary school, in the form of a new cafeteria facility. This will be in operation by the end of the month.
Painting and maintenance jobs have been done in the system and to all appearances, Division Superintendent J. A. Burke hit the nail on the head last night when he said, "The portends are for a successful session."
Each year, the opening of schools give new vitality to the life of the community, and this new school year will be no exception.

Oakville Boys Won Play-off

Oakville Little Leaguers . . . . baseball team celebrated their winnings in the play-off series with an ice cream feast on the lawn at M. W. Drinkard's Store on Wednesday, August 24. At this time they presented their coach, E. B. Drinkard, with a gift as a token of appreciation for his time and interest in their team. It was a time of enjoyment for both parents and players and the team looks forward to another baseball season.
The Oakville team won 7 and lost 5 games in the regular season. They won both games of the play-offs, defeating Appomattox J. C.'s in the first game, 13 to 6, and then defeated Pamplin Rurmans in the second game, 6 to 1, in 6 innings.
The players on the team were:
Coach: E. B. Drinkard; Donnie C. Spiggle, Warren Drinkard, Charles Wilkerson, Jerry Ayers, Richard Martin, Mike Loazdo, Dink Loazdo, A. E. Marsh, Dennis Wilkerson, Neil Cabaniss, Wayne Dunn, W. D. Adams, Wayne Garrett, Jimmy Garrett and Larry Moore.
Supporters of the Oakville team wish to thank Oakville Farmers Supply, and Drinkard's Grocery for backing the Oakville Little Leaguers, and also the parents and fans for showing much interest in these Little Leaguers by attending the games. Also, thanks to Coach Gordon H. Bragg for making it possible to have a Little League baseball in Appomattox.
